# One Wild and Precious life

## MARIST YOUTH GATHERING

**MARIST YOUTH GATHERING** is a vibrant 3-day celebration which draws senior secondary students, staff and youth ministers together from across the Marist Schools Australia network, to nourish our Catholic faith and Marist spirituality.

### About MYG

Hosted by Marist Youth Ministry in partnership with Marist Schools Australia, MYG is about **celebrating** our faith, **nurturing** our Marist Family spirit, and **sending** out the next generation of disciples to be game changers in our world, with hearts on fire for the Gospel.

### Theme

Our MYG theme **'One wild and precious life: Creating One New Humanity'** invites students to explore the unique gift of their one wild and precious life and how they will put their gifts and talents at the service of God, humanity and creation. MYG will provide a strong emphasis on the fundamental call to build one global human family where all life and creation is respected.

### Who's invited?

Your school is invited to send a group of up to 10 students from either Year 12 or Year 11, with a preference for those actively involved in faith and ministry programs, or social justice and solidarity groups in the school.
